"A friend told me about Options Pregnancy Clinic and we went in for our first appointment. As soon as we walked into Options, they made us feel so welcomed. They were so kind and made us feel less scared and more excited. Each week, we learned so much, from how to change diapers to how to care for a sick baby, and we left feeling more prepared and excited each time. We were blessed with clothes, diapers, wipes, and baby furniture, etc. When we got closer to the due date, I would stand on Philippians 4:13, "I can do all things through Christ who strengthens me." This verse helped me be encouraged and I knew I could do anything with His help. I wasn't alone and I knew we would always figure things out with Him by our side."
